DISCLAIMER

Beacon of Balance is not liable for any consequences arising from the use of a coaching programme, other programme, online course or digital product, or from participation in sessions and training courses. Beacon of Balance reserves the right to suspend coaching and/or sessions until the client has consulted a doctor or medical specialist if Beacon of Balance considers this necessary. Participation in a coaching programme, other programme, online course, session or training course and the use of a digital product are entirely at the client's own risk.

The content of Beacon of Balance's services and digital products is not intended as a substitute for medical advice from a doctor, psychologist, psychiatrist or medical specialist. The client remains responsible for the use of sessions, training courses, online courses and digital products and for any decisions made as a result. Beacon of Balance accepts no liability of any kind. If the client is receiving treatment from a doctor, psychologist, psychiatrist or medical specialist, Beacon of Balance recommends consulting that practitioner about participation before starting a session, training course and/or coaching.
